## Removing | Attaching the Lamp Shade

Please follow the recommendations to avoid potential damage to your lamp

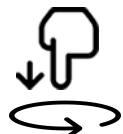

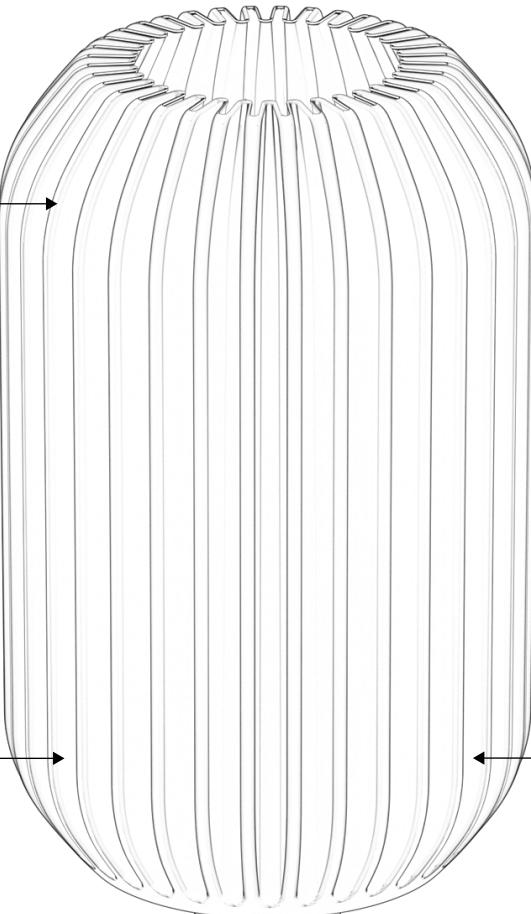

### Tip!

Avoid gripping the top of the lamp shade when twisting the base off to avoid potential damage to your lamp.

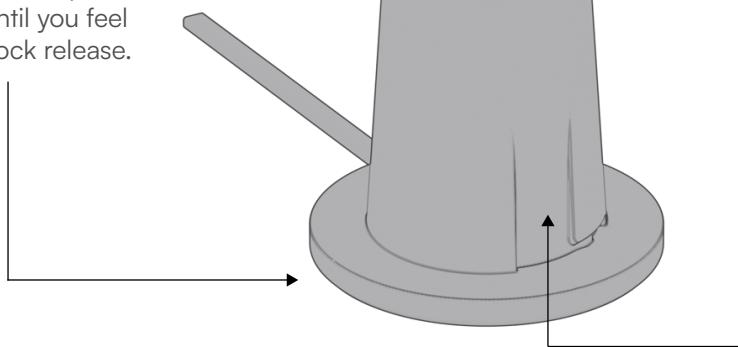

### Removing:

1. Keep the lamp upright. Grip and hold the lower, rigid portion of the shade with one hand.
2. With the opposite hand, grip the base of the lamp and twist **clockwise** until you feel a slight pressure lock release.

### Attaching:

1. Hold the lampshade upright. Grip and hold the lower, rigid portion
2. With the opposite hand, grip the base of the lamp and align the notches at the bottom of the lamp shade with the grooves in the base.
3. While holding the base, insert and twist the lamp shade **counterclockwise** until you feel a slight pressure lock engage

Alignment grooves

### Additional Information:

**Care:** Keep away from wet/damp areas and intense heat sources (e.g., stoves, direct sunlight, or outdoor exposure). Indoor use only. Always place your lamp on a stable surface.

**Recommendations:** Use only low-wattage LED bulbs (10W or less). Do not use halogen or incandescent bulbs, as they generate excessive heat

**Cleaning:** Slightly damp or dry micro-fiber cloth. Avoid harsh/abrasive cleaners

## Disclaimer & Safety Notice

This product is designed for use with low-wattage LED bulbs only (maximum 10W or less).

Only replace with low-wattage, UL/ETL listed LED light bulbs.

Do **not** use incandescent, halogen, or other high-heat bulbs, as they may cause overheating and damage.

The lamp body includes 3D-printed parts made from heat-sensitive materials

Do not expose to excessive heat, direct sunlight, or moisture. Indoor use only.

The included bulb is third-party

All warranties and support are provided by the bulb manufacturer.

Brand names and trademarks are the property of their respective owners and are used only to identify the bulb.

This product is not a toy. Keep out of reach of children and pets.

Do not leave the lamp unattended while powered on for extended periods.

Do not submerge the lamp in water.

Do not tamper with the electrical components.

Stop use immediately if you notice any signs of damage, unusual odors, discoloration, unusual heat, or frayed wiring.

Please follow these safety guidelines to ensure proper use. Moodform is not responsible for any issues resulting from misuse or unauthorized changes.
